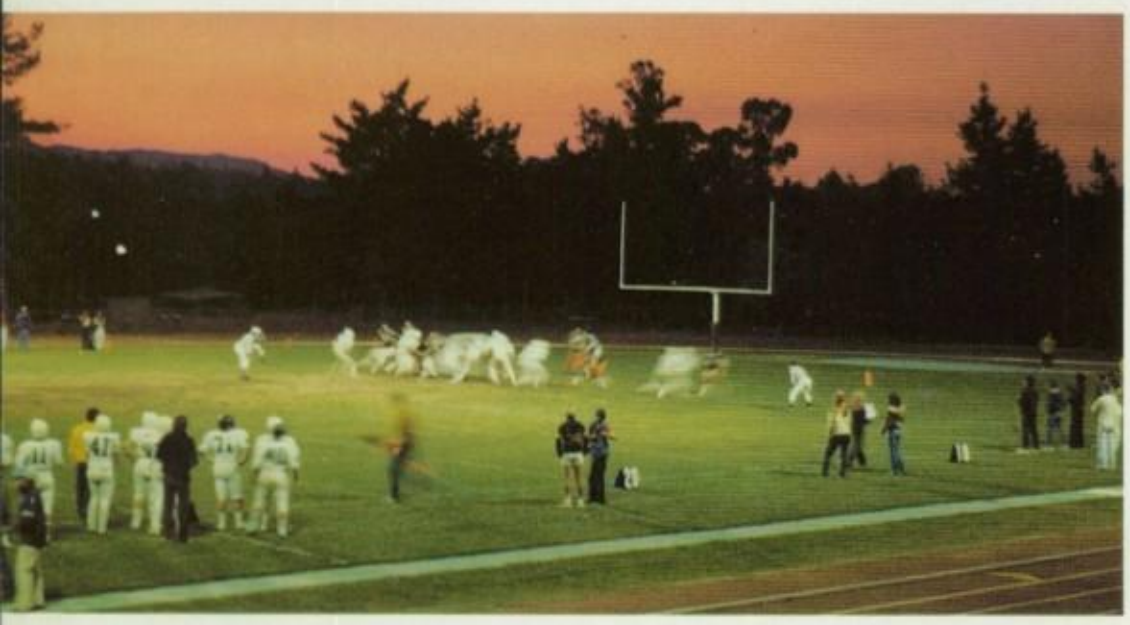
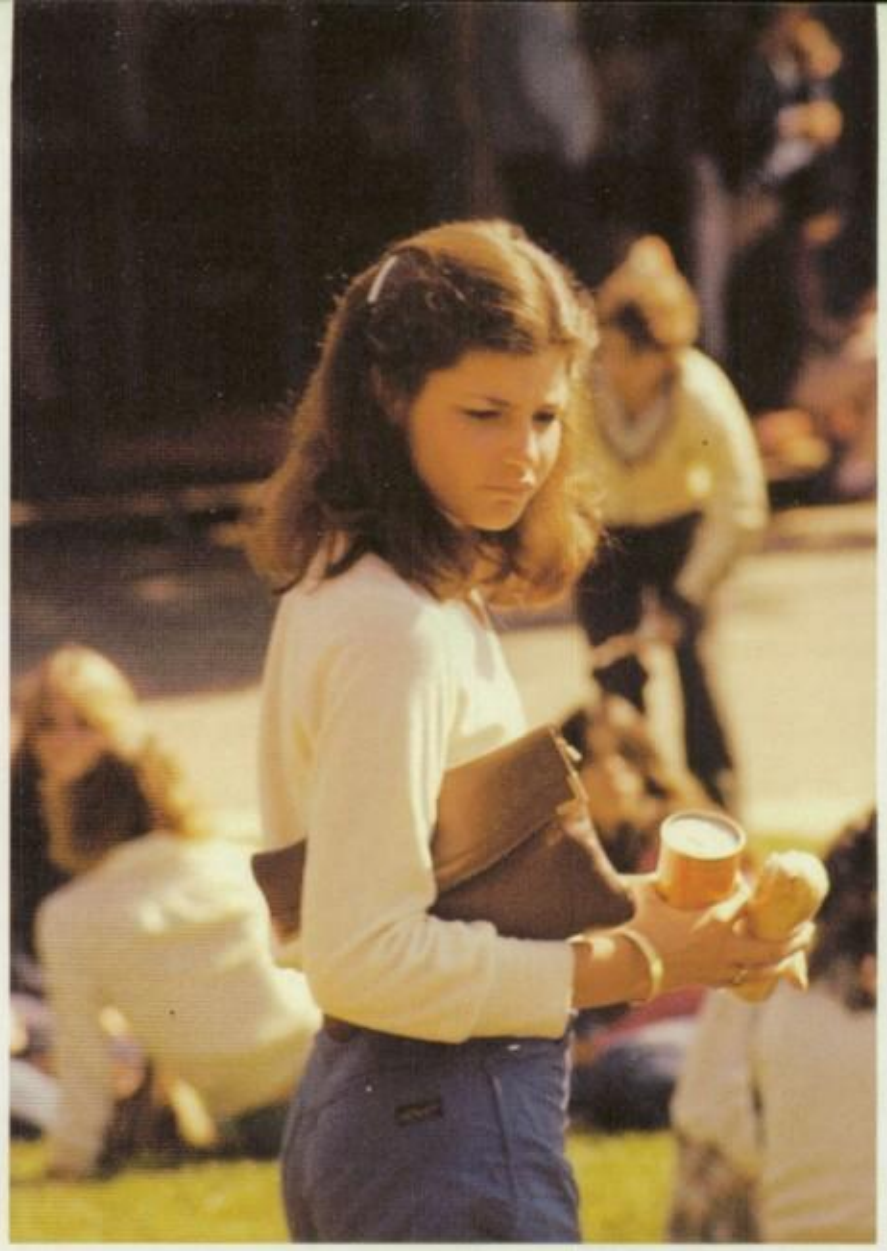
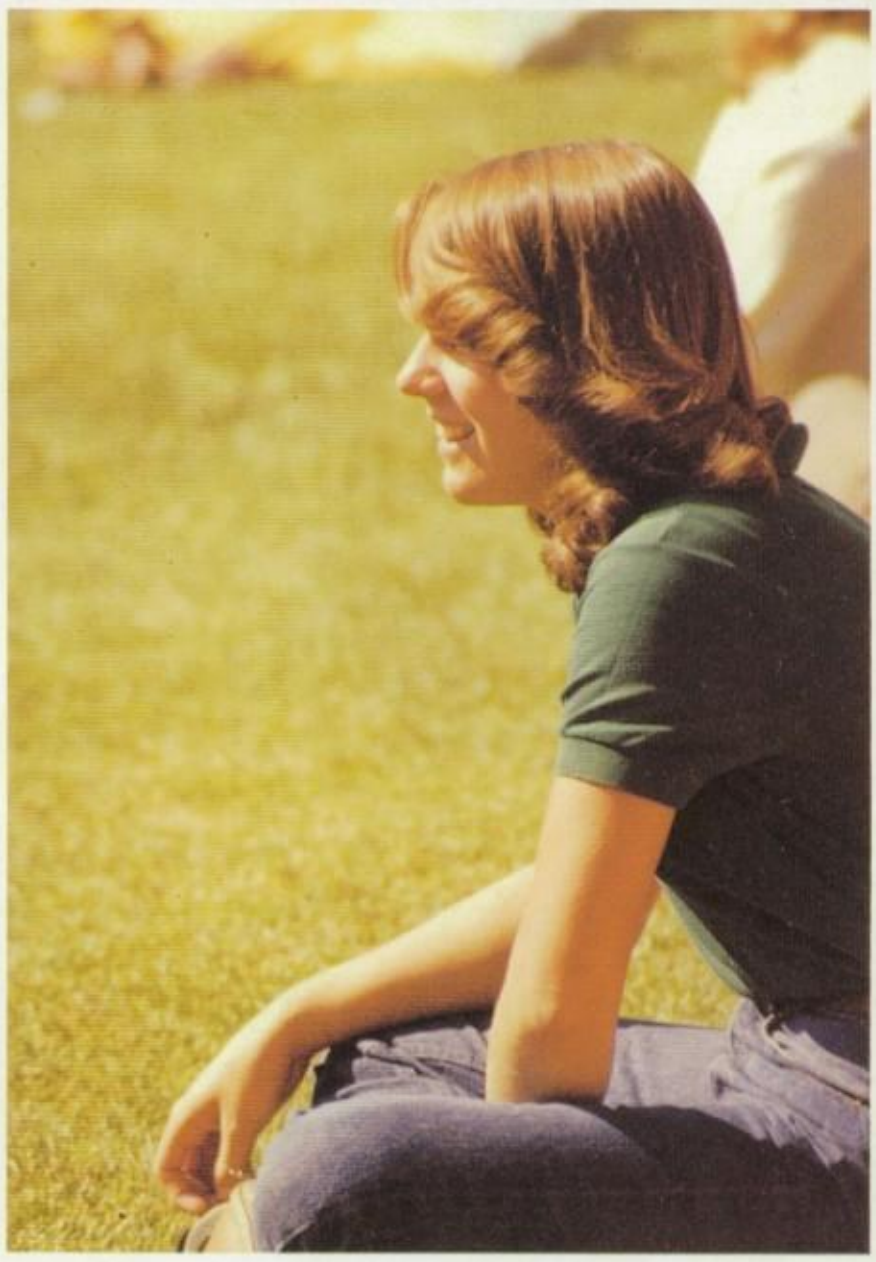
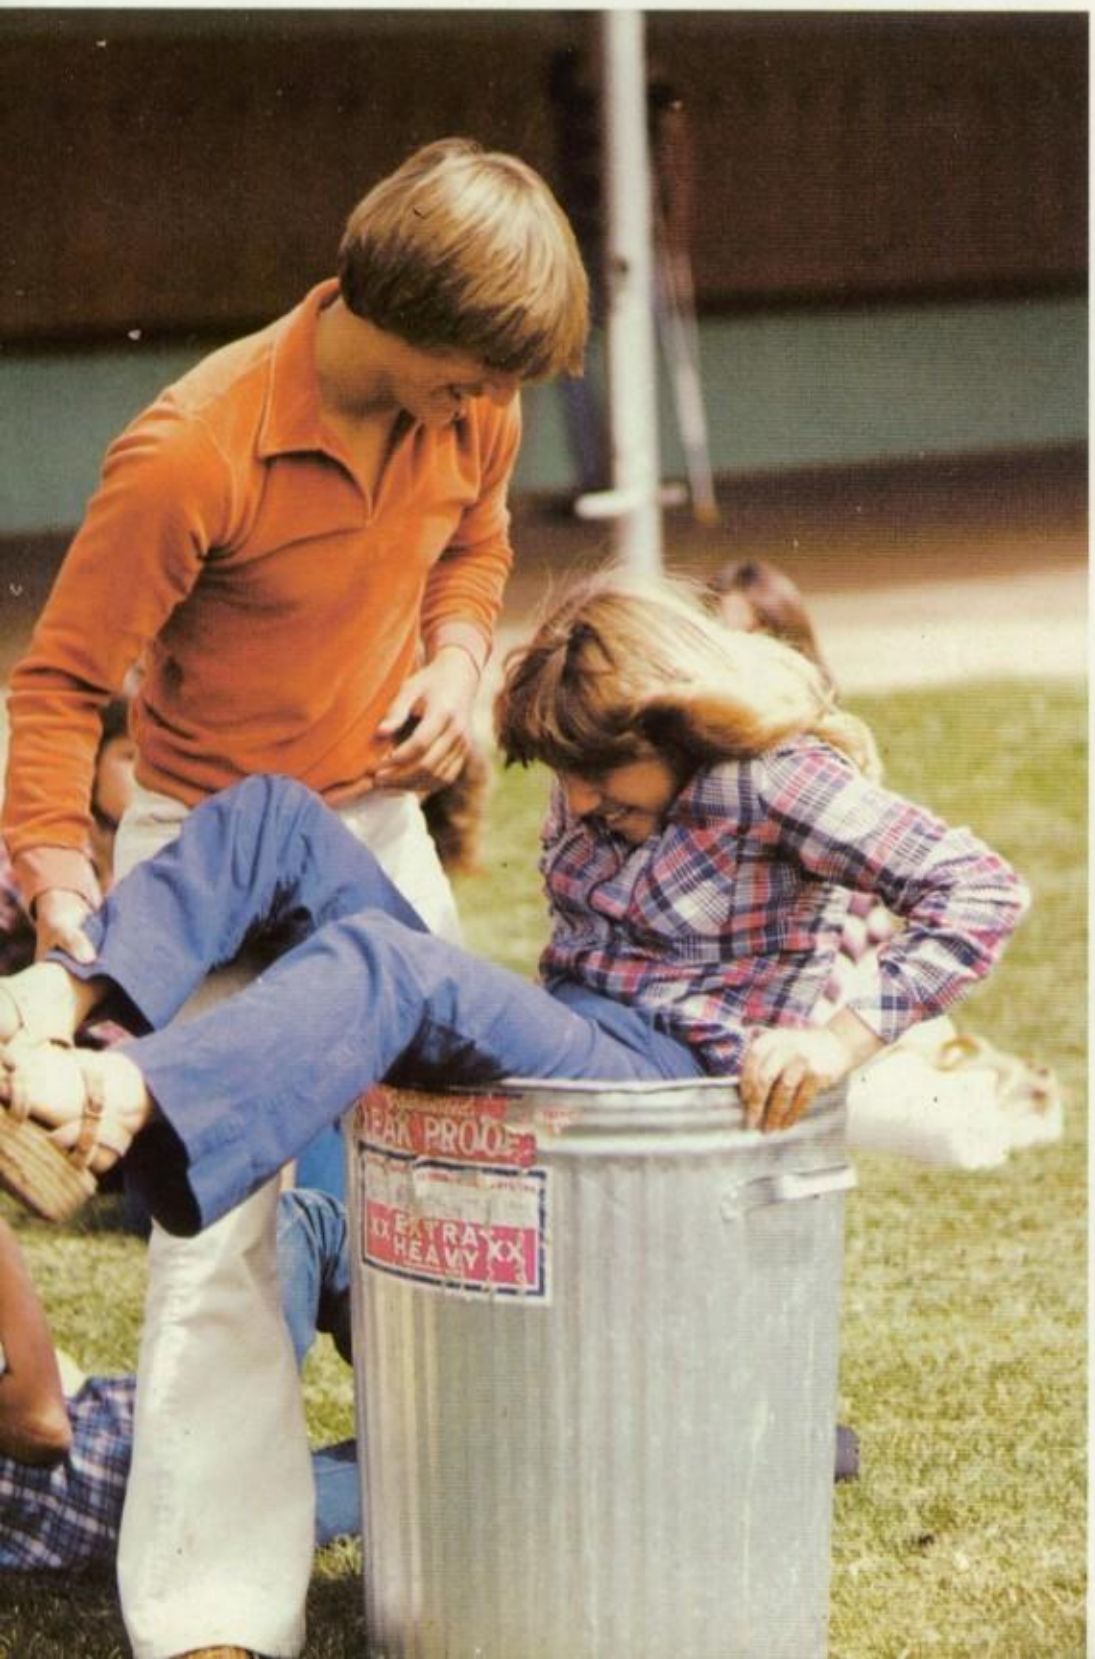
joy at the start
fear in the journey





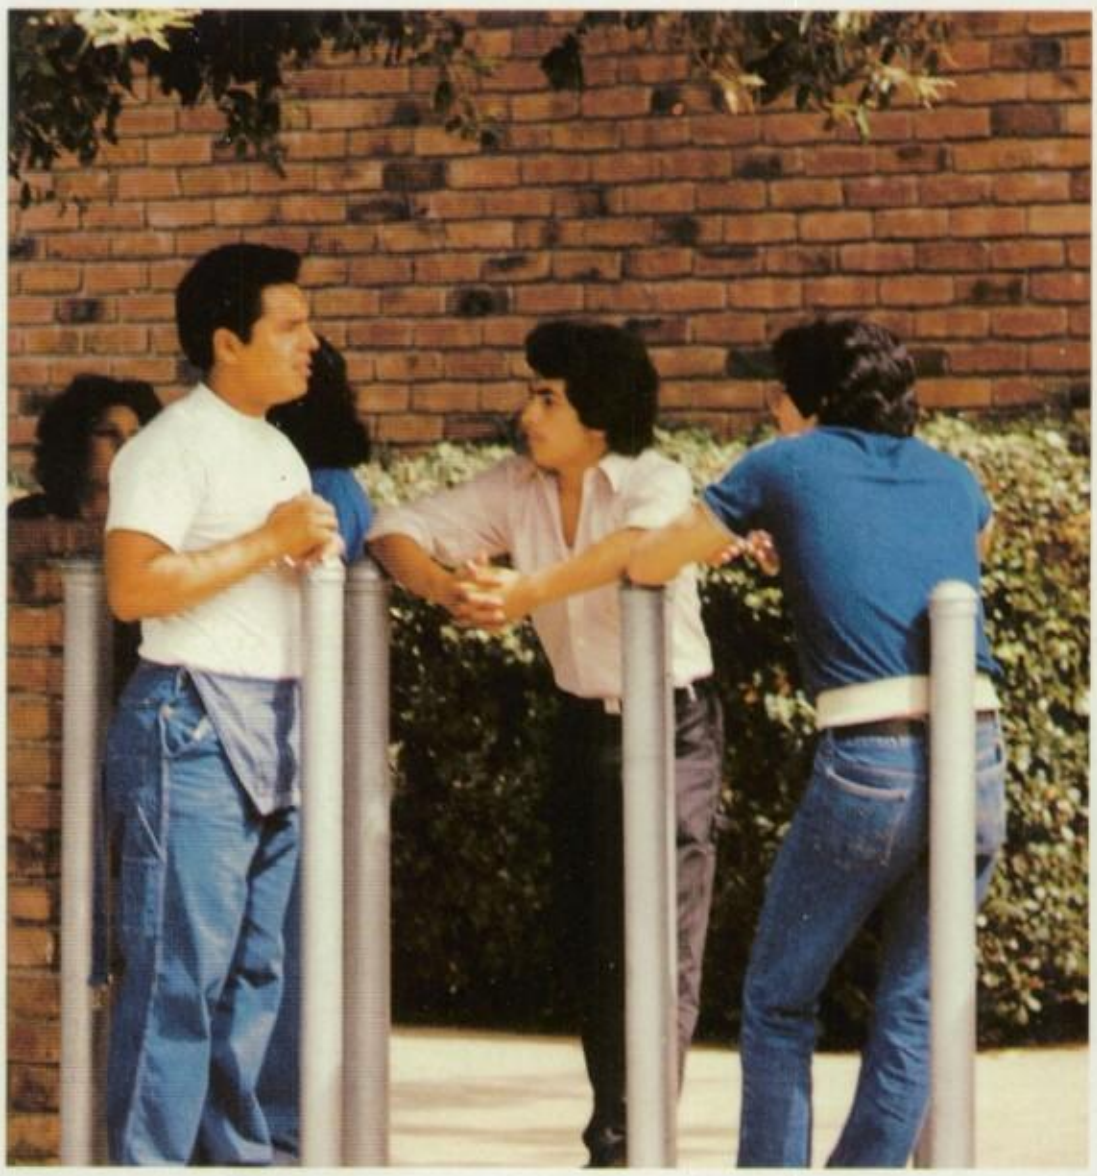




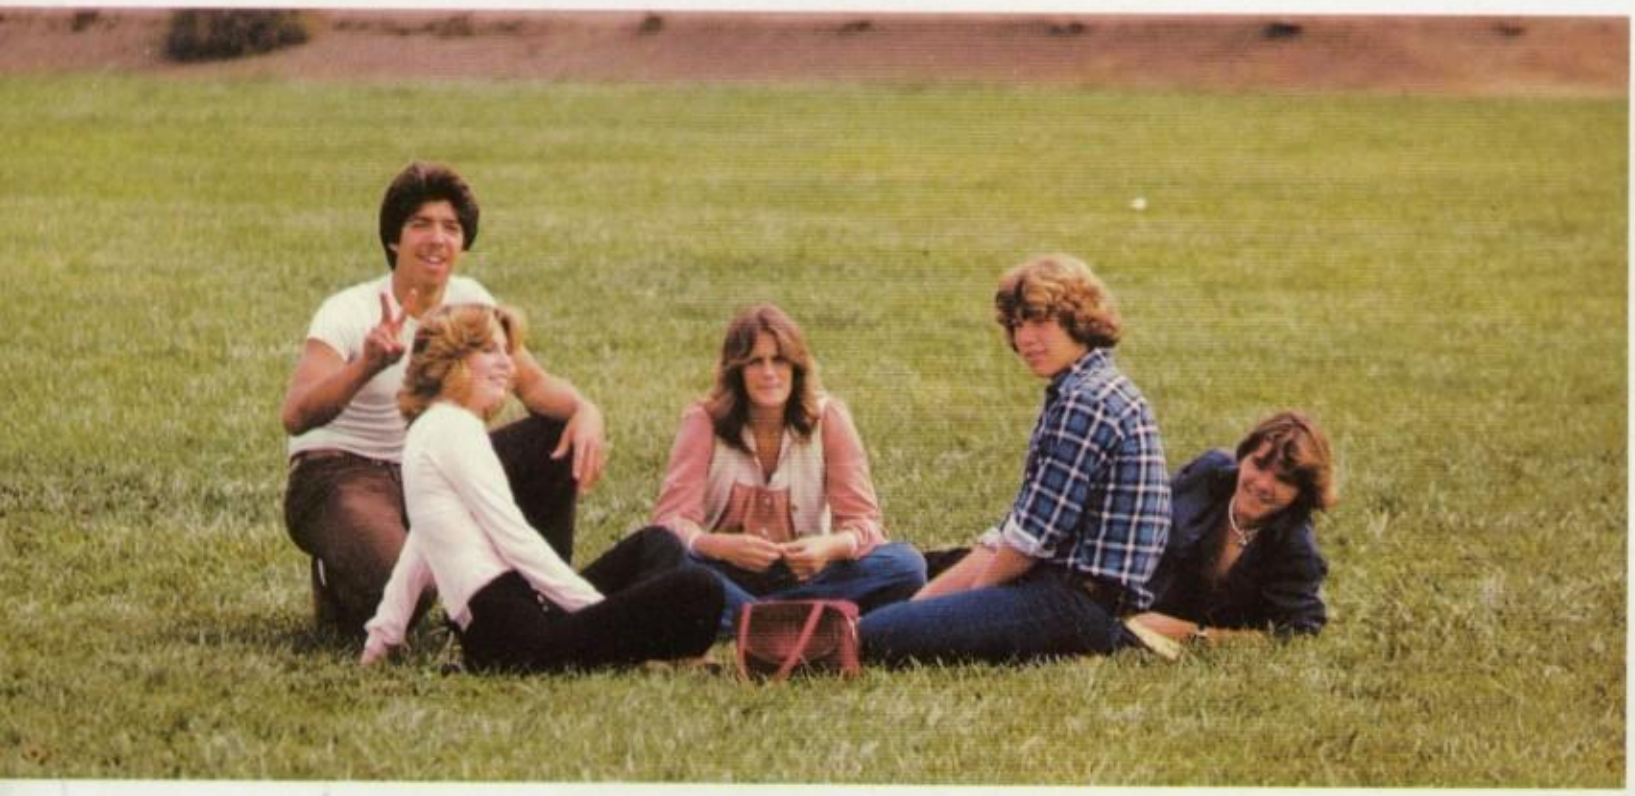
joy in the coming home

a part of the heart
gets lost in the learning

somewhere along the road

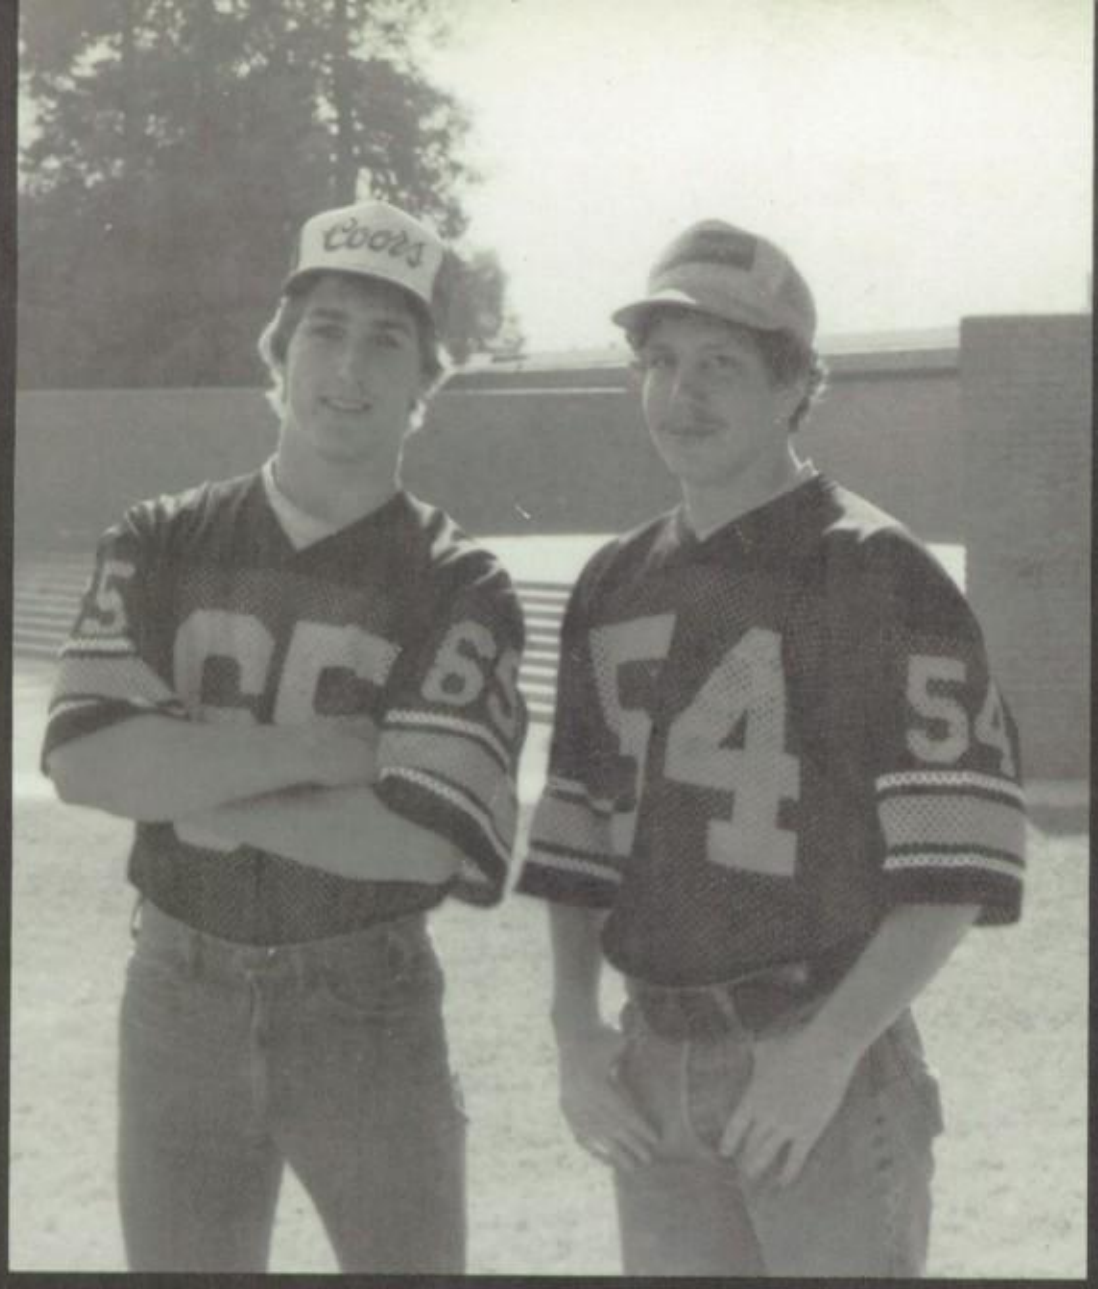


along the road
your path may wander



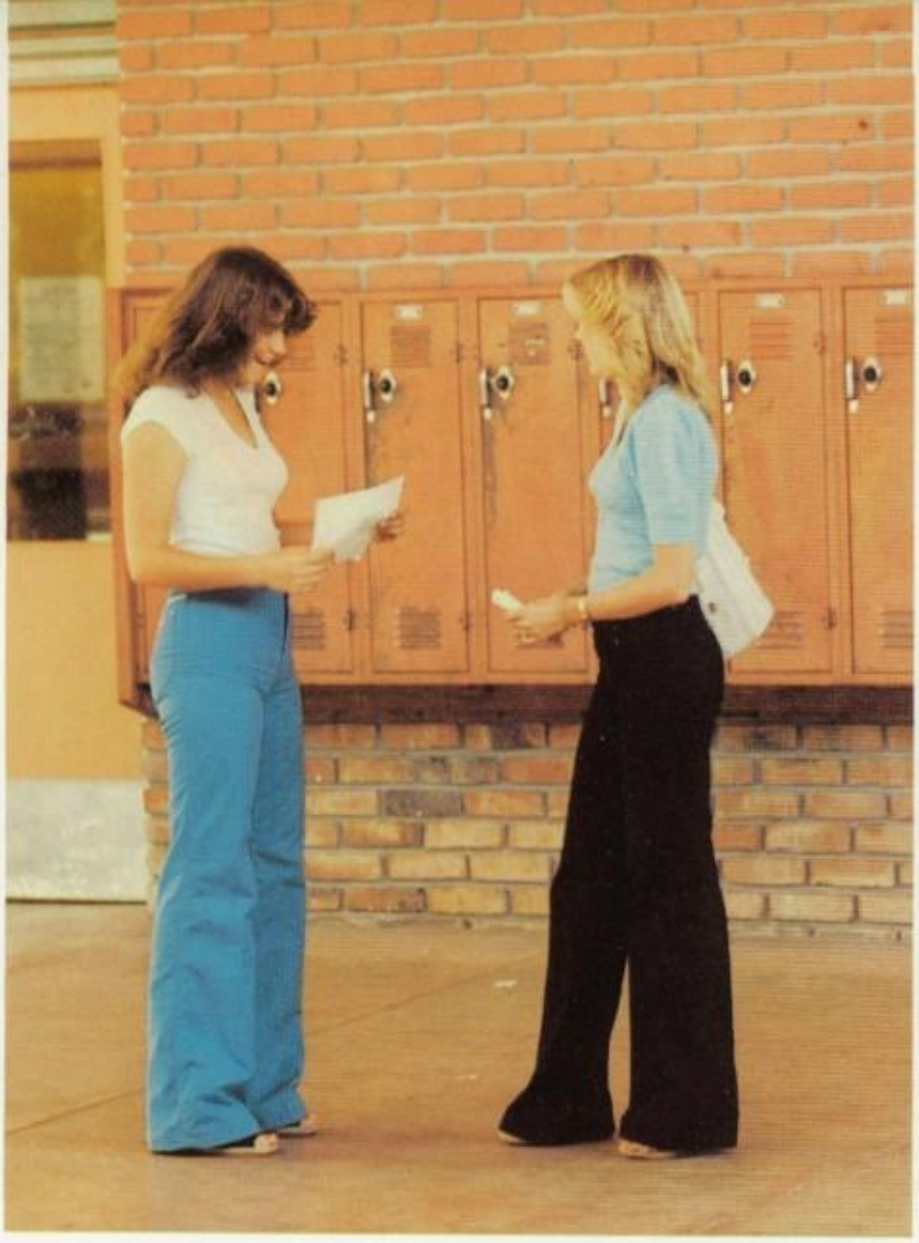
a pilgrim's faith may fail

absence makes the heart grow fonder



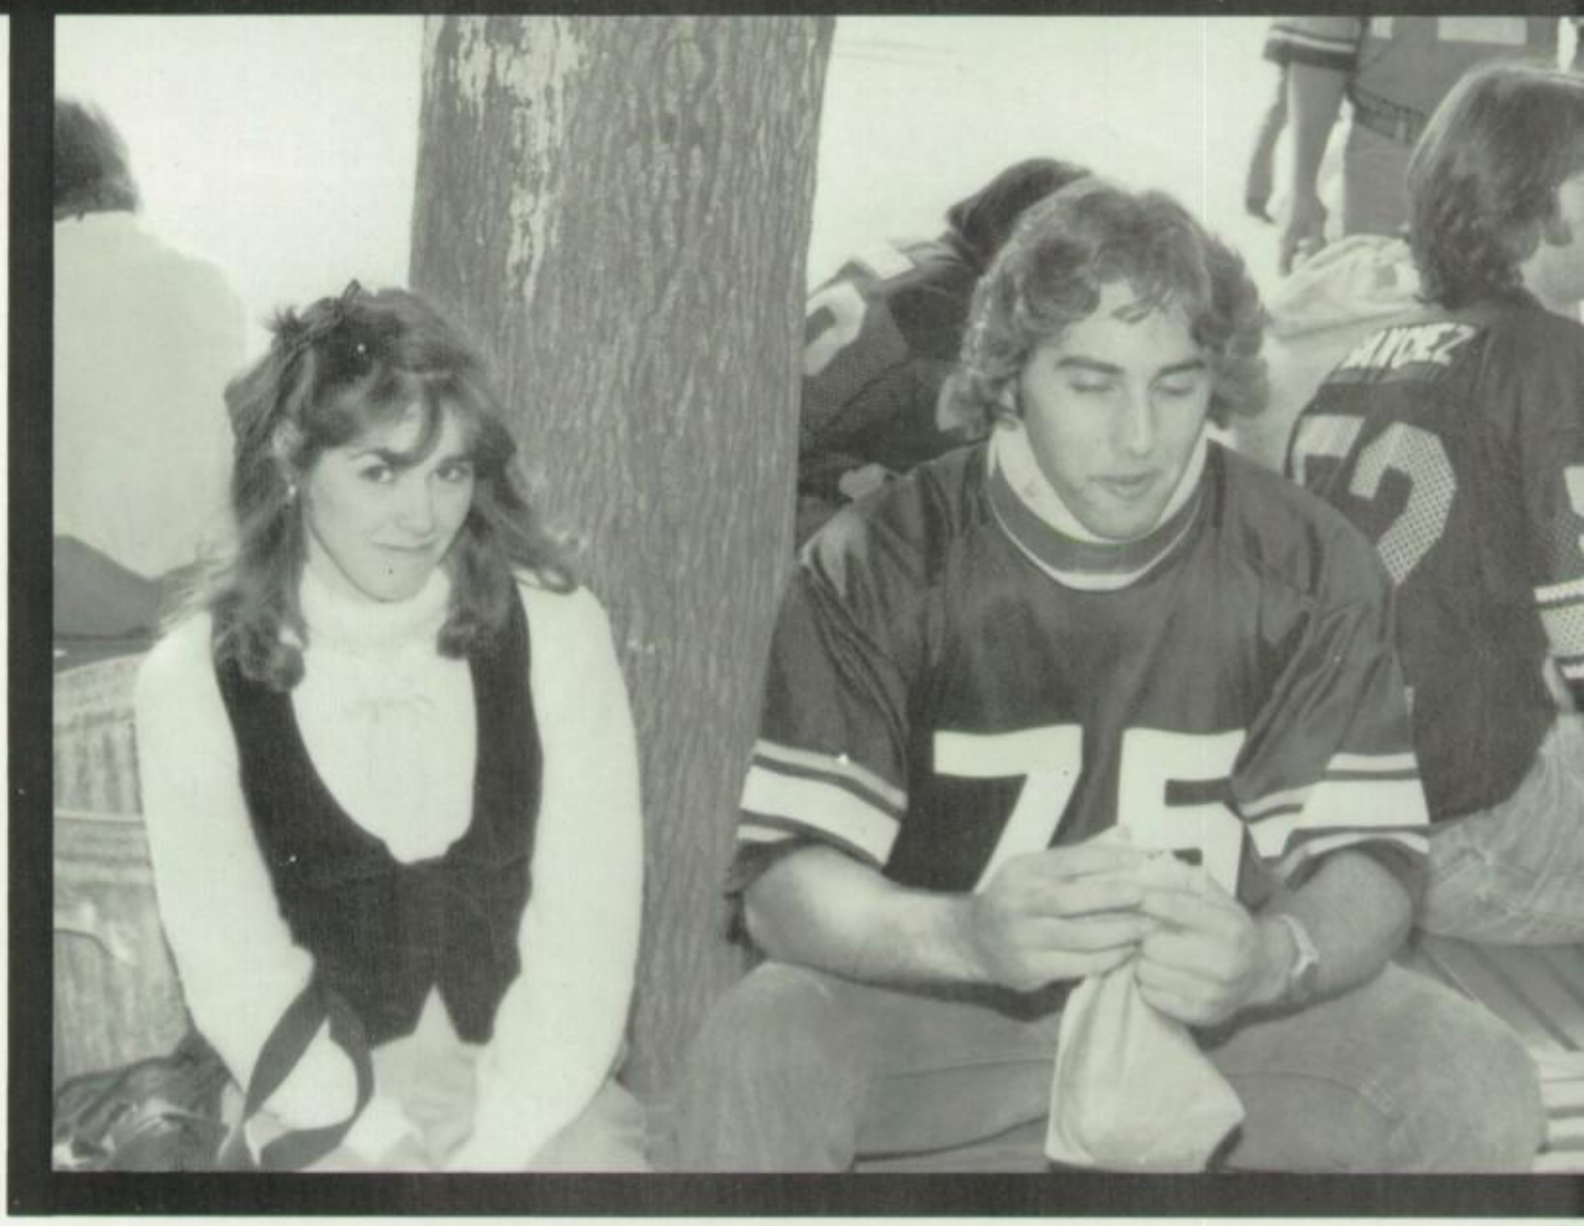
darkness obscures the trail

cursing the quest
courting disaster

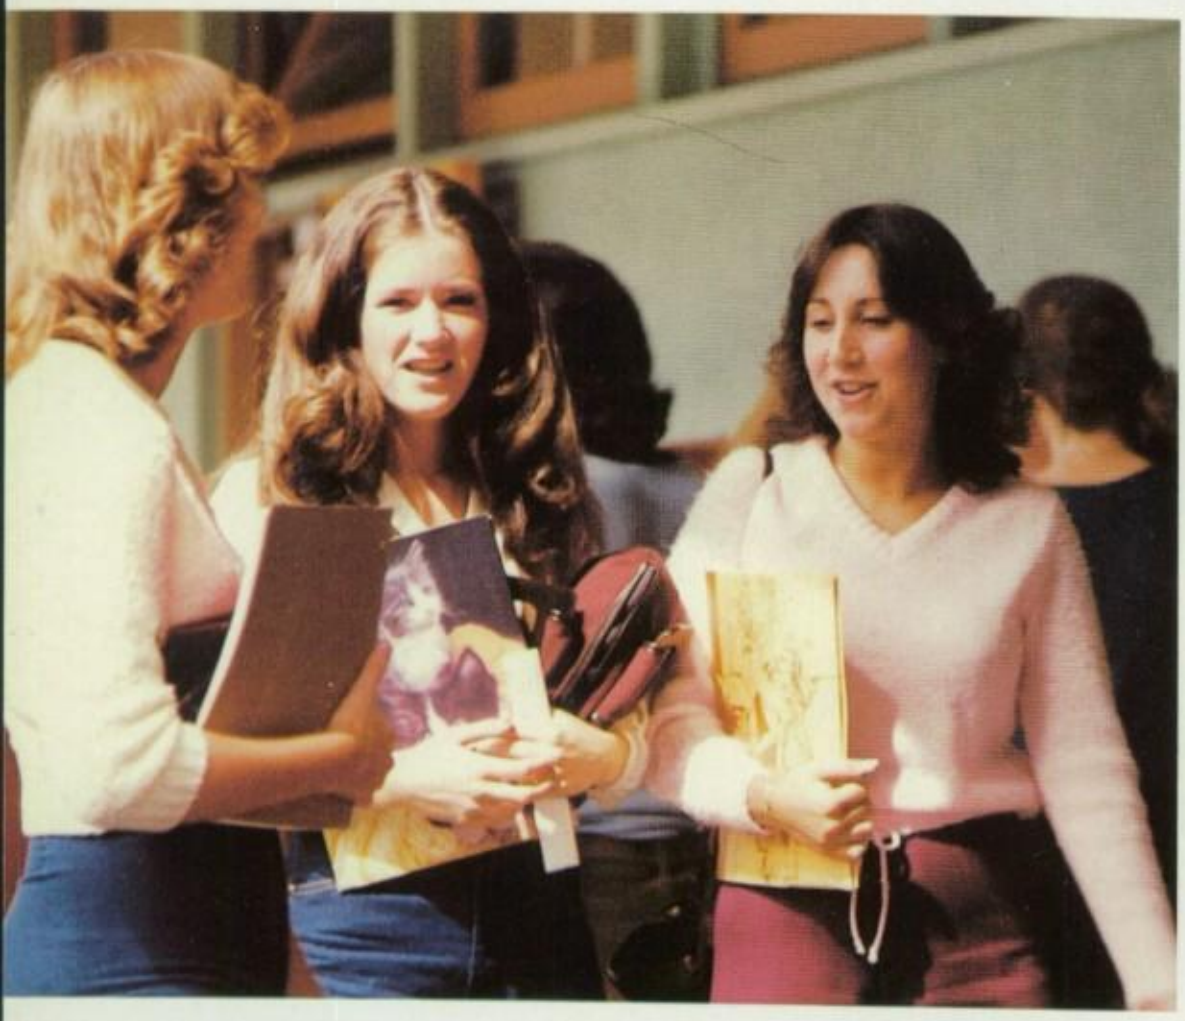


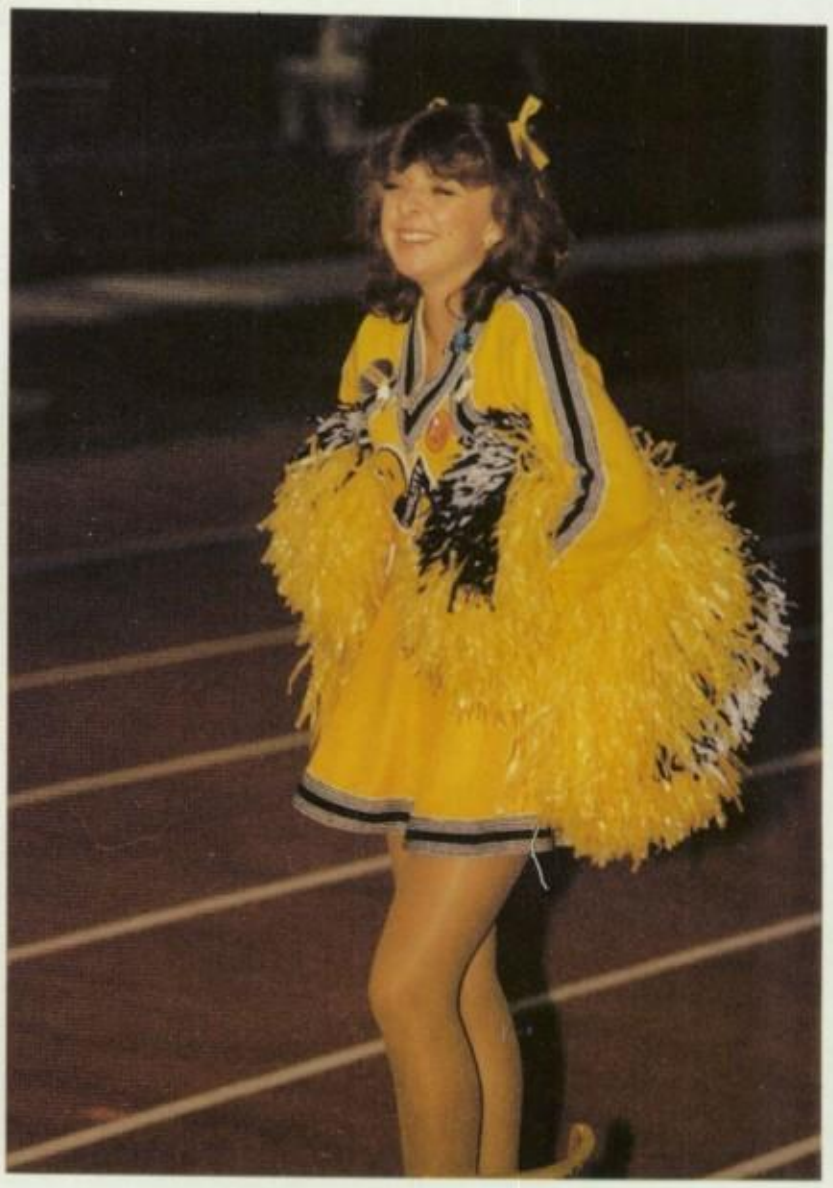
measureless nights forbode

moments of rest
glimpses of laughter



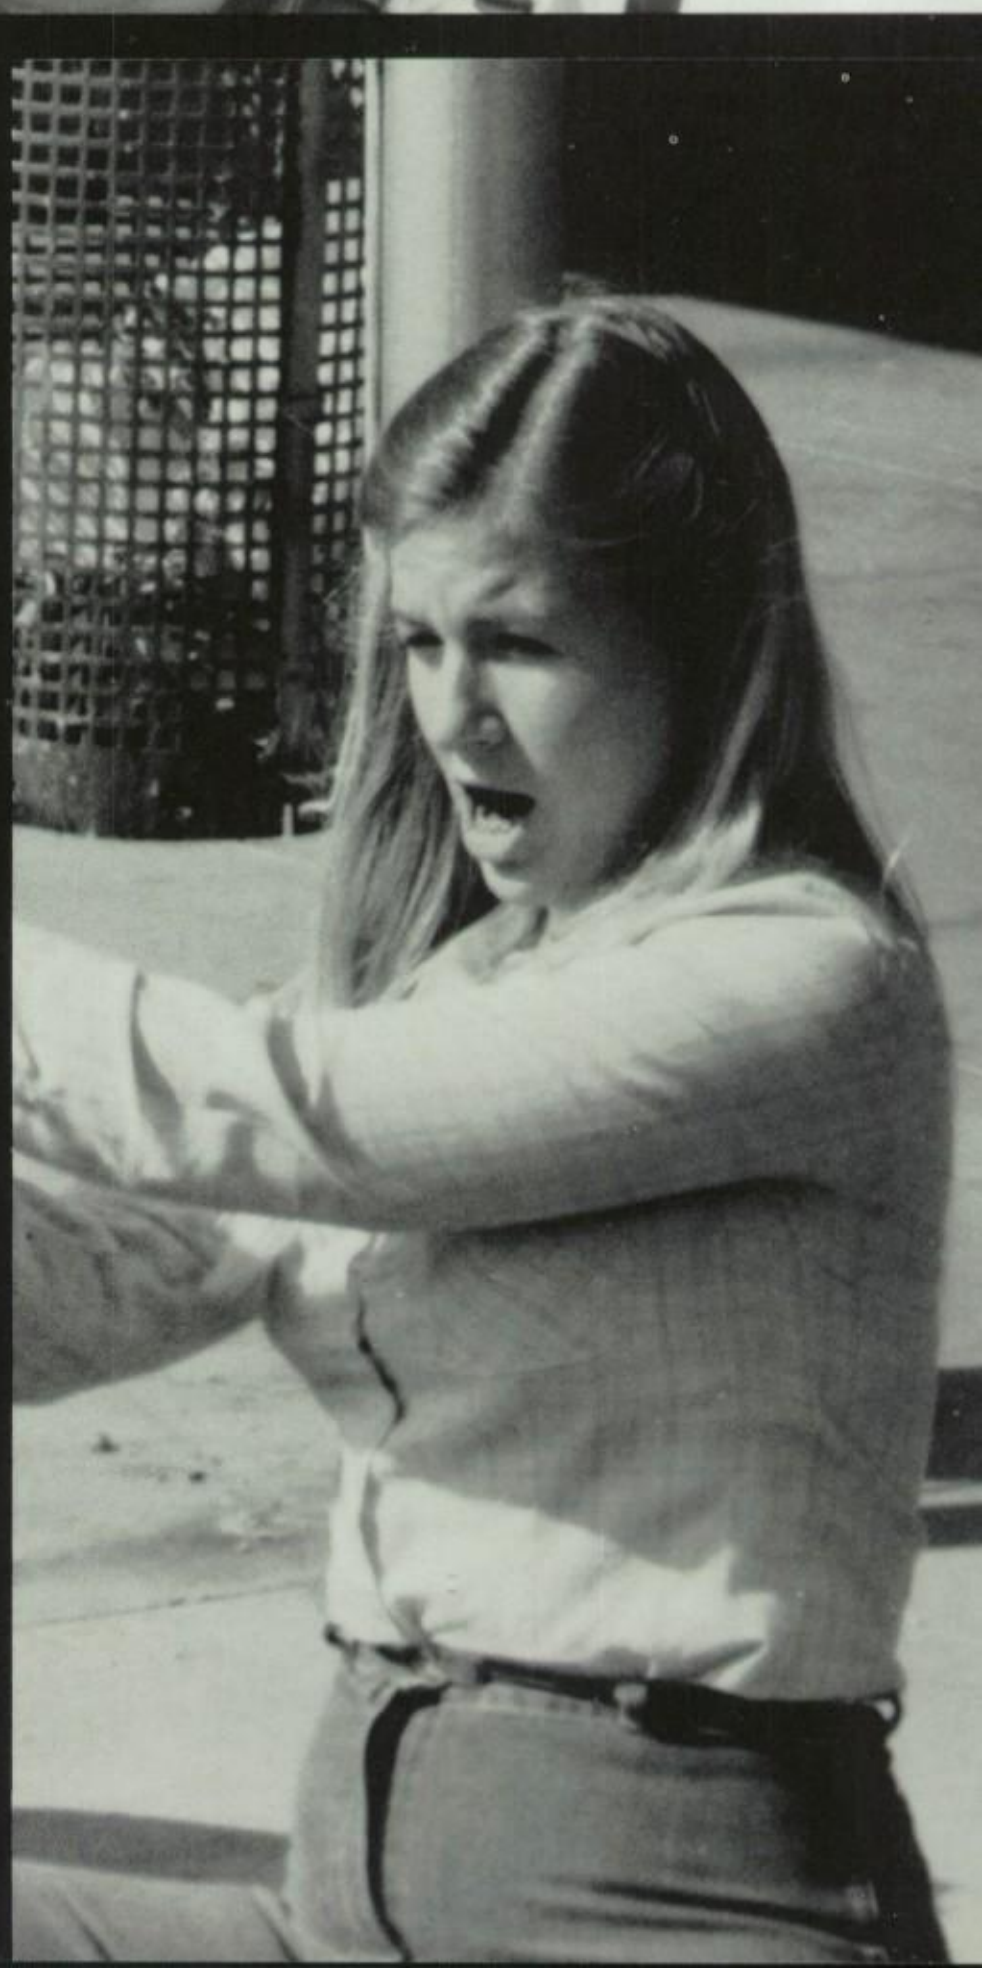
are treasured along the road





along the road your steps may stumble

your thoughts may start to stray



but through it all
a heart held humble

levels and lights your way

Del Mar students travel to Europe

France:
Paris
England:

Switzerland:
Wengln

Have you ever walked down the cobblestone streets of London? Have you ever roamed through a valley of the Swiss Alps or strolled around the ruins of the old city of Rome?

These are only a few of the things that a group of people who went on the European trip saw last summer. They also experienced the cultures of France and Germany along with seeing the historic artwork of such Italian greats as Leonardo da Vinci and Michelangelo.

The trip was a memorable experience and enjoyed by all.

The Del Mar Key Club

The Key Club is a community service organization, and is sponsored by the Kiwanis Clubs of America. This year, we managed to meet many of our goals and have a pretty good time in the process. We raised several hundred dollars for the Crippled Children's Society of Santa Clara Valley. We assisted the March of Dimes with its San Jose Superwalk. We sold you refreshments at a healthy profit during football and basketball games. We also managed to attend many Key Club and Kiwanis-sponsored activities: dances, volleyball tournaments, picnics, Kiwanis breakfast meetings, and our annual Key Club Convention.

It was a satisfying and enjoyable year.

PING PONG

The Fourth Annual Del Mar Key Club Ping Pong Marathon

What could motivate a group of intelligent young people to deprive themselves of precious sleep? What could be worth hours of exposure to cold and wind, boredom and hunger? Well, would you believe ping pong? Probably not, but ping pong is what Key Clubbers played for a club record of 120 consecutive hours. Actually, the whole thing is a lot of fun, but if you have never played ping pong at 3:30 in the morning you probably wouldn't understand where the laughs came from.

The Marathon was held at El Paseo de Saratoga shopping center during winter vacation. The purpose of the ordeal was to raise money for the Crippled Children's Society of Santa Clara Valley. The Club succeeded in raising over 500 dollars this year to benefit that organization. Next year Key Club hopes to be able to contribute even more.

Key Club President playing at 116 hours with only 4 hours left to play.

"Whoops, sorry!"

ASTRONAUT JAMES IRWIN

This year, the Del Mar Career class was priviledged to have, as a featured speaker, Astronaut James Irwin.

Irwin was one of the three astronauts of Apollo 15. He and Dave Scott were the first two men to ride in the lunar rover or "moon buggy".

The team of Irwin, Scott and Worden discovered many elements which were to further our understanding of the moon's origin and interior make-up.

James Irwin spoke to the students about his career as an astronaut. He discussed his training and NASA's strenuous program.

FOREIGN EXCHANGE

Left to Right: Jutta Hastenrath, Helge Steffan Siems, Sari Paakkenon

Hi! We are the exchange students for this year, and we came here with the Youth for Understanding Exchange program. Since we all came from different countries (Helge from Spain, Jutta from West Germany, Sari from Finland), it was not only very interesting to learn a lot about America, but also to meet the other foreign students here. Although the first weeks were of course a little hard, we had a lot of fun stuff to do and see and we learned quite a bit more about America and even ourselves.

This year is one we will never forget and we want to thank Del Mar Students, teachers, counselors and above all our Host Families for this.

Bye and see you later.

Yours,

Sari Paakkenon

THE DEL MAR MARCHING BAND 1980-81

Del Mar is very honored to have two outstanding senior gymnasts as part of its student body this year.

One of these girls, Connie Rossman, is in her fourth year at Del Mar. She is a class 1 gymnast and a member of the West Valley Gymnastics School. She is also a Class 4 judge who gives private lessons and coaching. She has competed in meets in Hawaii, Oregon and in the Western Regionals in Los Angeles last year.

Sue Stednitz, formerly of Camden High School, spent a good deal of her time this year in Europe, competing internationally. After a surprising recovery from torn ligaments she earned her trip to Europe by placing third at the Elite National Championships in Oakland.

While in Paris she qualified for still further competition by seizing a first place on the vault and a second on the assemetric bars. She went on to the U.S. Championships, held in Allentown, Pa.

Good-luck to both Connie and Sue.

NEW YORK TRIP

Nine Del Mar students accompanied by Mrs. Jane Voss, the drama instructor, boarded a DC10 aircraft on December 26 bound for the Big Apple — New York. They were part of a larger tour group from the Bay area, under the direction of Break Away Tours, located in Los Angeles. The object of the tour was to expose prospective drama students to the real life of New York Theatre.

Besides visiting the numerous tourist attractions, the group attended six Broadway productions such as "A Chorus Line", "Annie", and "Barnum". The final highlight of the seven day tour was spending New Year's Eve in the city that never sleeps.

April 2, 3, and 4 of this year were D-Days for the cast of "Bye Bye Birdie". They started rehearsals in January, and from then on, devoted all of their time to this show.

The result was a well-put-together performance. Much of this credit goes to Mrs. Voss and Mr. Goans, who also sacrificed their time to help Del Mar's aspiring actors and actresses.

C.S.F., HONOR SOCIETY
annual
CONVALESCENT HOSPITAL TRIP

Each year during the Christmas season members of Del Mar's CSF and Honor Society visit the patients of several convalescent homes.

The visits were a meaningful and enjoyable experience for both the students and the elderly. The students had the chance to share Christmas spirit and cheer with those who wouldn't have had as much fun otherwise.

Christmas trees were decorated by the students and donated to each of the homes. Each patient received a present especially gift wrapped by the Del Mar students, and cake, cookies and candy were passed out to everyone. The visits were ended by everyone joining in on the singing of Christmas carols.

REAGAN

Here it is, the last page of the 1981 yearbook. To those of you that bother to read this, I hope you enjoyed the book. No, wait a minute, I'm going to hope for a little more than that.

I hope that as you go through this assemblage of the year 1981, something will reach out and grab you — a picture that will trigger something in the back of your mind.

Whatever you remember, and as you remember it, also remember the people who made the permanent image of it possible.

The staff this year had to be one of the best ever. The members deserve a tremendous amount of thanks for long hours spent running around like a group of animals. No, seriously, without them you wouldn't see a thing in front of you right now.

Without the amazing patience of Ellen Higuchi and her workers you would see no sports or faculty pages. Without Ellen this yearbook probably wouldn't have had an editor either. She was a great help to me as well as to the rest of the staff.

Bev, Cindy G., Diane, Laurel, Lorri, Joanie, Johanna, Andrea, Shannon, Sandra, Corrine, Theresa, Jim, Cheryl, and Helen all gave it their best for you, as well as gaining a little well-deserved satisfaction for themselves.

Thanks to Sue, Ann, Marian, and Sharon, who set themselves down to the job of creating the senior section this year. You made it a great year to be a senior.

Thanks to Tom and Nikkie, our photographers, who were unbelievably calm whenever they heard that God-forsaken word, "RUSH".

A special thanks to Jill Church, whose camera was there at the moments we needed it most; Ray Bellantoni, whose photographic wizardry carried our theme for us; and Brooke Snavely, for the incredible aerial shot of the "Del".

Another thanks to Amy Speckman, whose outstanding creativity formed this year's cover.

Right in the middle of a mad panic we lost Cindy Hastings to bigger and better things. But she managed to be there for us in the end in a way only she could be. We're grateful, Cindy.

A special thanks goes to the faculty and staff of Del Mar this year, especially the time and effort of Mrs. Zimmerman, whose consideration gave us those few added minutes to put in the finishing touches.

To my parents: well, what can I say? Thanks for being there when I needed you and all the understanding you offered. And thank you, Ron, for the constant reassurance that pulled me through that final deadline.

Last, but by no means least, a great big "thanks" to the two people who were there every step of the way down that long road. We couldn't have made it without Miss Udd and her faster-than-the-speed-of-light red pen. And I'm sure none of us will ever forget the eternal words of Mr. Eric Clemmensen; "Should I be worried?".

Of course not, Clem.
